

I agree to the **conditions** about the processing of your data

Data processing agreement

By submitting this form, I agree that the information entered on this website may be used and processed to allow me to be contacted, to send me newsletters and other email alerts, as well as for services in connection with my request or any other needs/questions I send to the QFS Foundation.

I also confirm that I have been informed of the following:

1. The data entered will be saved on servers hosted in Switzerland.
2. The data processing delegate can be contacted via QFS Foundation.
3. I can access my data at any time by logging into my account with the credentials that have been emailed to me. In the event of loss of this data, I can ask the QFS Foundation, to transmit them to me again.
4. The data entered will be kept as long as my request /search is active and/or, that I have not explicitly requested the deletion to the QFS Foundation.
5. I can at any time ask the QFS Foundation, that this last one provides the data which I transmitted to them concerning me in a CSV file, allowing the portability of the said data.
6. I can modify my personal information at any time via my account (see point 3) or by requesting it to QFS Foundation.
7. I can unsubscribe at any time from newsletters and other email alerts to which I am subscribed via my account (see point 3) or by asking the QFS Foundation.
8. I can at any time ask the QFS Foundation, the complete and definitive deletion of the data in their possession (data that I personally transmitted).

Cookies and audience analysis

You can visit our website anonymously. Non-personal usage data, such as the IP address of your device, the pages viewed, the browser used, the date, time, etc., which we store by means of cookies are however collected on this occasion.

- Session Cookies: For the proper functioning of certain parts of the website (mainly the "my account" part, and the criteria defined in the search filter(s)).
- Cookies Google Analytics: To understand user behaviour and allow adaptations to make browsing more pleasant and efficient.

QFS Foundation is likely to use anonymous website analytics technologies to continuously improve its websites. In doing so, information relating to the operating system, browser, geographical origin (country only), pages consulted during the visit as well as interactions.

We only analyze the data anonymously and for statistical purposes, for example to determine the number of accesses per day. We do not use personal data, unless the user himself has provided this data with full knowledge of the facts, for example when requesting information on a request.

Links to other websites

Certain links on our website provide access to third-party websites over which we have no influence. As soon as you click on these links, you leave the company's sphere of influence QFS Foundation. We therefore assume no liability for the completeness and legality of the contents and links to other websites or any products, offers and (service) provided on. The terms of use and data protection provisions of these third parties apply.

Copy rights and usage rights

All content on this website is protected by copyright and, unless otherwise stated, is the exclusive and total property of QFS Foundation. Opening, downloading or copying pages does not lead to the acquisition of rights (usage rights, intellectual property rights, etc.). No part of our website may be reproduced, transmitted (electronically or by other means), modified, linked or used for public or commercial purposes without prior written permission.
